The Downtown Chicago apartment has officially evolved. Whether you choose a Sky55 standard apartment, a signature apartment with upgraded features and finishes, or one of our 23 luxurious penthouses, you'll be sure that few Chicago apartment dwellers have a home as beautiful as yours. Each apartment features modern stainless steel appliances, spacious oversized kitchen cabinetry and hardwood floors. Beauty extends into the bath with hotel-style details such as framed mirrors and wall sconces. Every Sky55 apartment is an exclusive haven in the heart of the city. Downtown boutiques, great restaurants, and world-renowned entertainment venues are all easily accessible. Not to mention trademark events like the Gospel Music Festival, the Chicago Blues and Jazz Festivals, and a Taste of Chicago-the largest outdoor food and free music festival.
